

# December 26<sup>th</sup>, 2018 Jersey Township End-of-Year Meeting

Trustee Bright called the meeting to order at 12:00 noon and the Pledge of Allegiance was given. Trustees Bright, Wetzel, and Frost, and Fiscal Officer Jesenko were present; Zoning Inspector Witney was absent due to work obligations.

Firstly, the \$500 bonus to Jeff Fry was rescinded, as a bonus is an incentive to retain staff and not to reward them for years of service according to the prosecutor. The \$500 was then awarded as a retroactive pay increase based upon the advice of the prosecutor; namely that this was permissible.

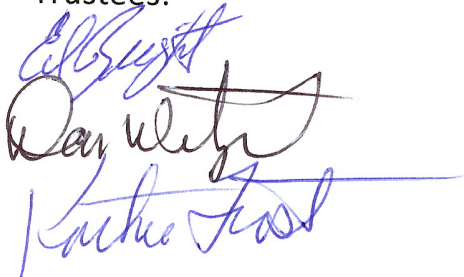

Next, checks for bills and payroll were read aloud and countersigned by the trustees.

Next, bonds were submitted to cover Cemetery Sexton Wedertz and Zoning Inspector Witney, both of whom accept payments as part of their duties.

Fiscal Officer Jesenko reported that he was meeting with State Auditors at 4:30 o'clock that afternoon to turn over documents for audit.

Also, action was taken to correct outdated information on the township's life insurance policy. The January 3<sup>rd</sup> Organizational Meeting and January 7<sup>th</sup> Monthly Meeting were announced and public comment was heard, including questions about the pending audit. There being no further business, the meeting was adjourned.
